How to Vote — Quick Reference

Maine Democratic Party · 2026 Nominating Convention

1	Open your Email OR Text notice Find the email or text message you received for your ballot round. It has your personal voting link.
2	Get to your ballot Click the link in your email — this will take you to your ballot.
3	Make your choices Select up to the number of Delegate Candidates and alternates as designated by your County
4	Review & submit Check the review screen carefully, then click Submit . Your ballot can't be changed once it's submitted.

Good to know

Your link only submits one ballot, so keep it private and don't share it — Delegate Nominating rules require you to cast your own ballot personally.

No account needed. There's nothing to sign up for — your link is all it takes.
